

The Show committee is not sitting down on the job!!

The committee has been working hard on the upcoming show on September 11/12 at the Douglas County Fairgrounds in Castle Rock. We are very excited to announce the honorable Judith Warner will be our judge this year. She hails from Asheville, North Carolina. She is also judging the ERAHC show in Lexington, KY this year. Barbara Arkin again will be the Show Steward this year. Judith and Barbara are both very excited to judge the show and to see you all there.

This year the club celebrates its 10th USEF recognized year. In honor of this accomplishment, there are some new perks for participants. If you join RMIHC before the show, you will receive one free stall for the weekend. Also, if you travel from out-of-state, you will receive a free stall for the weekend. WOW!

The Douglas County Fairgrounds have added more hook-ups for all you "campers".

Acquiring Sponsorships for horse shows are very difficult and your help is essential for us to have another great year. Any help you can offer will be greatly appreciated. Sponsorship packets are available and online. if you have not received one, let us know.

Spring has sprung and hopefully you are getting ready for the show season. Put RMIHC 10th annual show on your calendar now. Hope to see many new participants and renew friendships with all of you returning competitors again! Let's have some fun!
